EARLY SUMMER 2007

Celebrating 35 years restoring God's dignity and destiny in the hearts and minds of men!

**Prayer is always the key
component**

Teen Challenge Cincinnati – Staff, volunteers, prayer partners and financial sowers can reflect, give thanks and say amen to 35 years of investing in the lives of men in the Tri-State. Started in 1972, largely through the efforts of Ken Bagwell who was deeply concerned

about drug addiction among young people in Cincinnati, Executive Director James C. Gray and others began working in the Over-the-Rhine neighborhood with the goal of establishing a Teen Challenge program in the city.

A building at 1410 Vine Street was purchased to establish off-street counseling and a rehabilitation center. Just as it was in the early days, outreach to the jails, youth and families are core service components. In April, 1974, Ken Bagwell was brutally beaten by young criminals and nearly two years later succumbed to his injuries. In 1976, ground was broken outside Milford, Ohio for the Teen Challenge Ranch where the ministry has both flourished and expanded. In 1988 the Bob and Betty Lindner Community Resource Center was built housing a gymnasium, classrooms and meeting rooms.

Who Are We?

Located on 165 acres of beautiful countryside in Milford, Teen Challenge Cincinnati is a mission of hope, offering a 9 -12 month residential treatment program to men ages 18-35 who are dealing with the problems of drug and alcohol addictions.

Mission Statement

Evangelize people who have life controlling problems and initiate the discipleship process to the point where the student can function as a Christian in society applying spiritually motivated biblical principles to relationships in the family, local church, chosen vocation and the community. Teen Challenge endeavors to help people become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive.

Restoring God's dignity and destiny in the hearts and minds of men.

An electrical fire on July 25, 1991 completely destroyed the dormitory. A recent housing expansion has increased our capacity to do this great work and although at the time of this writing it does not exist, we believe very soon we will be rescuing and discipling women in their greatest hour of need.
